SITHUMINI NAVODYA

HNDIT Undergraduate

PROFILE

I am an HNDIT student at SLIATE Trincomalee with a strong interest in Information Technology and software development. I am eager to learn new technologies, improve my technical and practical skills, and gain industry experience through an internship. I am a responsible, hardworking, and motivated person who can work well both independently and as part of a team. My goal is to develop my professional skills and gain valuable experience in the IT field.

PROJECTS

Job Portal — Individual Project

Technologies: HTML, CSS, JavaScript

- Designed and developed a web-based job portal enabling users to browse and search job listings
- Built a responsive front-end interface with interactive features using JavaScript

Building Maintenance & Vendor Coordination System — Individual Project

Technology: Laravel

- Developed a web system to manage building maintenance requests and coordinate with vendors
- Implemented core functionality using the Laravel framework, including data management workflows
